

Anti-Spam Certification Form

In order to comply with New Zealand law, email best practices, and the policies set forth by ISPs and other email filtering organisations, Marketing Impact requires all Clients to certify their compliance with Marketing Impact's Anti-Spam email policy as well as the opt-in status of any lists they distribute using the Marketing Impact application.

If you cannot provide the certifications requested below, please contact your Marketing Impact representative to discuss the means by which your email distribution list(s) may be brought into compliance with our opt-in list requirements.

First Certification - Marketing Impact Anti-Spam Policy

I have read and understand Marketing Impact's Anti-Spam Policy (attached hereto).

Name	Signature	Date
------	-----------	------

Second Certification - List Source

I certify that <Client> is the owner of all email distribution lists distributed using the Marketing Impact application, and that <Client> is solely responsible for the composition and membership of each list

Name	Signature	Date
------	-----------	------

Third Certification - List Opt Opt-In Status

I certify that all subscribers to be used in connection with the Marketing Impact application have provided permission to <Client> to send them email.
